

Biohazard Symbols are to be posted on the equipment (e.g. freezer, incubator, biological waste container, etc.) where infectious agents, biological toxins, r/sNA materials, or biological materials derived from human or NHP, or animals/plants infected with biohazardous materials are cultivated/stored.

Note: – **Must be printed in color.** – If a color printer is not available please contact Biosafety at hsrm@umn.edu to request biohazard labels to be sent through Campus Mail. Please indicate how many are needed and provide a proper campus address. Proper addressing info can be found on the [Campus Mail](http://mailing.umn.edu/campus-mail/index.html) site (mailing.umn.edu/campus-mail/index.html).
