

**Biosafety & Occupational
Health Department**
501 SE 23rd Avenue
Minneapolis, MN 55455

z.umn.edu/bohd
(612) 626-5008

A DEPARTMENT OF
**HEALTH, SAFETY,
AND RISK MANAGEMENT**

First Aid

for

Animal Bites and Scratches

- Control any bleeding, then thoroughly wash the area with soap and water for 20 minutes to prevent infections.
- Do NOT apply any medical ointments to the bite wound.
- Cover with a sterile bandage and seek medical attention.
- **If injury involves non-human primates (NHP), follow the instructions in the NHP exposure packet.**

General Information

For all life-threatening emergencies,
Call 911

If you need assistance:

Business Hours: Scan the QR Code or use the link below to find the closest clinic by location.

z.umn.edu/bohd-clinics

After Hours: Seek medical attention at the nearest emergency department.

Report any incidents to your supervisor as soon as possible and complete an electronic first report of injury form: z.umn.edu/efroi

Depending on the injury, you may have additional reporting requirements.
